

## AWGS and HC3S School meals update – Jan 2017

Over the past few terms we have received varied feedback from parents and pupils regarding our hot school meals – menus, portions, reliability, flavours etc. It was also the main area of negative feedback on recent governor-parent questionnaires.

Our new cook – Sarah – and her team in the AWGS kitchen have been working hard to ensure the food is of the highest quality; tasty, well portioned and reliably delivered. There have been many improvements to choices including a salad bar, a range of puddings each day and jacket potatoes for KS2. We are confident that previous issues are being well resolved. In order to continue to work in partnership with all we are offering the following opportunities for parents/carers to try the food, give feedback, sample the menus and experience our school lunchtime!
