Dear Parent,

As part of our fundraising this year we have decided to launch:

## 'A FAWGS Family Favourite Recipe Book'

This will include all of your best homemade dishes; this could be savoury or sweet, or even be anything from a preserve to a drink. We are asking each family to decide on their favourite recipe, maybe one that has been passed down through the generations or maybe one that you as a family have made up yourselves and love! All we ask is that the recipe works and tastes delicious.

You will find attached a blank recipe card, which we would be grateful if you could fill in and return to the school office by **Friday 10th March**. Late recipes might not be included.

We are going to ask the children in the school to draw a small picture of their favourite dish which will then be published in the book. The book will then be sold locally to raise funds for the school. Our aim will be for a big launch at the School Fete this summer, so make sure you buy/order your copies on the day! We are also trying to include a donated recipe from a celebrity family, which will not only help sell our book but it will give your family the opportunity to be published alongside somebody famous..... so watch this space!

If you know of any businesses who would like a featured advertisement in our book, please leave your details with Mrs Agland in the school office and we will contact you in due course.

Many thanks from

Kirsty Agate and Melanie Meaden  
The FAWGS Committee.

N.B If your recipe needs cooking don't forget to include the oven temperature. Instructions can be numbered or lettered. Measurements to be given if possible in 'g'. We would also appreciate a close up colour photograph of your dish, some of these will also be printed. (We might even try making your dish and then take a photograph of it ourselves to publish. We cannot however guarantee that it will look the same, so if you do NOT wish us to do so then please cross this box )
