How funding was spent	Amount	Impact/rationale
The school signed up to local Secondary school cluster events/packages	£840	Through a range of sports (including orienteering, tag rugby, football, netball, cross country, hockey, rounders, cricket and athletics) KS2 pupils have access to a range of inter-competitive events, with a focus on skills development. Teachers keep records of participation so less active pupils can be encouraged to get involved where relevant.
Swimming	£556	By employing a qualified swimming coach extra opportunities have been afforded pupils who would not have otherwise made the KS2 expectation
Sports coaching	£107	Qualified football coach offering after school club provision
Table tennis table	£480	A cluster deal of one per school at a reduced rate providing a safe and therapeutic alternative to highly active sport. Our table tennis table is in a quiet outdoor space and offers a new opportunity for any pupil who wishes to use it.
Playground skills equipment	£1236	Our largest spend towards developing healthy lifestyles: all children have access to skills based equipment at play and lunchtime. The equipment is rotated each week to help reduce boredom/familiarity. We have seen a reduction in low level boredom, play fighting and behaviour incidents and an increase in co-operative sport based play. Children have access to badminton, skipping, cheerleading, footballs, throwing rockets, mini-balls, team caterpillars, stilts, scoops and juggling (chosen with the school's 'Sports council') This is lead and managed by the HT/PE leader supported by Yr 4 monitors and Yr 6 buddies. Activity, fitness, cooperation and behaviour have all improved.
Additional sports equipment	£315	Footballs. Rugby balls and other equipment that needs replacing has been purchased to ensure the right level of resourcing for clubs and lessons
Skipping workshop	£316	A high energy, motivating and educational experience for all children in the school – many children continue to skip and use the skills long after this event.
Total spend this financial year:	£3849	Carried forward to 2015/6: £7306
