*Breakfast club provision 7:45am-8:45am*

## September 2017

Fox club (Alderbury pre-school) and Alderbury and West Grimstead Primary school have agreed to split breakfast club provision, by age, due to high numbers and the pre-school being oversubscribed at this time. Therefore, **from September 2017 Owls, Elephants and Penguins will be able to book, attend and pay via the PRE-SCHOOL (Fox Club), whereas Key Stage 2 (Lemurs, Zebras, Giraffes and Koalas) will book, attend and pay via the SCHOOL please (BfC).**

This change is at the request of the pre-school and in response to the recent survey. Times and prices will be the same on both sites, with invoices and booking forms coming out at the same time each month. Previous discounts for additional siblings will still apply at both settings (10% cheaper for each additional sibling). Childcare vouchers/tax credits will be accepted at both sites too. *Please see below for pricing.*

Pre-school will continue to staff their site whilst the school breakfast club (BfC) will be run by Mrs Hill/Mrs Wood with support from other teaching assistants as required. Booking forms for the next month will be sent once payment from the previous month has been received. **In order to use this service please register your interest on the sign-up sheet either at school or at preschool, ensuring we have your email address.**

Many Thanks.
