

Fostering

be the difference

Have you ever thought about fostering?

If you think you could make the difference to a child's life and have the time to care come along and find out more about fostering. Talk to the team and carers about what it's like to foster with Wiltshire Council at our information session.

**City Hall –
Salisbury**

**Tuesday 25
October at 7pm.**

*“If you're thinking of fostering...
go ahead and start the ball rolling,
because you've got nothing to lose and
an awful lot to gain”*
